New SCA Certified Home Brewer: Two New Bonavita Coffee Brewers Join the SCA Certified Home Brewer Lineup

APRIL 18, 2023 – The Specialty Coffee Association (SCA) is delighted to announce two new Bonavita coffee brewers that have been awarded the SCA Certified Home Brewer mark – The Enthusiast with Stainless Steel Carafe, and the 5 Cup Drip Coffee Brewer with Thermal Carafe.

In a crowded and competitive market, the SCA Certified Home Brewer mark helps consumers find and choose the best coffee makers, backed by the science and experience of the Specialty Coffee Association. SCA Certified Home Brewers have been thoroughly tested in the laboratory and must meet the SCA's quality standards for brewing specialty coffee at home, including the SCA Golden Cup Standard.

Bonavita coffee brewers have been setting the standard for excellence in home coffee preparation for over a decade, providing consumers with a specialty coffee experience at home with the touch of a button. These two brewers are the latest addition to their product line.

5 Cup Drip Coffee Brewer with Thermal Carafe (1500TS) features:

- Performance coffee brewer makes a 5-cup carafe in approximately 6 minutes
- Powerful and precise 1100-watt heater maintains optimal brewing temperature of 198°-205°F (92°-96°C)
- Optional pre-infusion mode saturates freshly roasted ground coffee to allow degassing before brewing
- Showerhead design facilitates even saturation of coffee grounds
- Brewer uses standard #4, V-shaped filters
- Double walled stainless steel thermal carafe
- One-touch brewing for ease of use
- Carafe lid, filter basket, and showerhead are dishwasher safe and all plastic is BPA-free

The Enthusiast with Stainless Steel Carafe (BV2201TS) features:

- 8 cup coffee brewer with stainless steel carafe
- Powerful and precise 1500 watt heater with advanced heating control quickly brings water to an optimal brewing temperature
- Removable water tank with convenient handle makes coffee preparation easy
- Showerhead design allows for even saturation of coffee grounds and uniform flavor extraction
- Optional pre-infusion mode mimics the pour over brewing method by giving coffee grounds more time to bloom.
- Stainless steel lined thermal carafe with comfort handle for easy pouring
- Brew thru lid for maximum heat retention
